

Appendix A
Continuing Improvement 2018-19

Agency Name: Brevard County Public Schools Project Number: 050-2449B-9CCC1
Program Name: Brevard After School Academy: South

Reason(s) for the change:

1. The partnerships have changed based on the resources available to the partners that allow them to serve our students. Some partners have had to cut back services, while some new partners have been recruited to bring new resources and programs to students.
2. Overarching themes of program activities change each school year based on student interest.

This change includes: Additions Deletions Both

Narrative Language:

1. **5.5.b Partnerships** Sabal and University Park Elementary schools will provide the facilities and infrastructure for the grant services. Brevard After School will ensure all quality and safety standards set by BPS are met, will provide EZ Reports, data management software, and will financially support administration costs through the provision of supplies and funding for personnel not scheduled in the grant budget.

Additional partnerships, beyond development of this grant, will include: **Boy Scouts of America (BSA)** commits to serving each school with a Cub Scouts program for boys. The program will meet weekly and provide character development skills to support growth in prosocial behavior; **Brevard County Sheriff's Department: Safe Kids Academy** will provide four presentations to students about Bullying, Water Safety, Car and Transportation Safety, and Bike Safety; **Brevard County Sheriff's Department** will present one workshop, Time to be a Parent Again, for adult family members; **University of Florida (UF)/IFAS Brevard 4-H** will teach life skills and STEM activities through implementing an afterschool 4-H club at each school. Implementation of the club will provide experiences for students to grow, develop, and succeed in physical, emotional, personal and social areas. Leadership, citizenship, record keeping, goal setting, and personal responsibility will be skills established and used by students; **Girl Scouts, USA (GUSA)** has committed to starting a club at each of the schools to provide educational enrichment activities including life skills, social skills, financial literacy, esteem building, community service, and career development, while supporting progress towards the academic and personal

enrichment objectives of the grant; **United Way** will recruit volunteer reading mentors to help address the reading achievement gap, focus on third grade retention and promotion rates, provide technical assistance with MyON reading software used for remedial activities, and provide tablets for use of the MyON reader program; **UF/IFAS** will deliver a family nutrition program that encourages nutrition, physical activity and food preparation lessons. Students will have hands on experiences and first hand training while learning how to prepare nutritious food safely. They will learn skills such as: fine motor skills, math and science, social skills, life skills, art appreciation and creativity, and literacy through activities such as reading recipes, measuring ingredients, cooperating, taking responsibility, and tasting and smelling foods; ~~**Victory Sports** will provide eight weeks of flag football, soccer and wacky sports for students at each of the two schools.~~

2. **5.6.c Student Program Activities** Students will enter the program immediately following the end of the school day, be checked-in to the program and have a USDA approved snack while supervised by Activity Leaders. The Activity Leaders will then transition students into PBL academic, personal enrichment and/or remedial activities. The PBL activities are influenced by three overarching themes, performing arts, inquiring minds, and culinary, ~~it's about time, super sleuth and places to go~~, to guide student activities through the year.

Underscore reflects additions to the 2017-18 narrative.
