Dear Parents,

Welcome to another month of the 21<sup>st</sup> Century Community Learning Centers and Brevard Before and After school program. This month we are continuing our PBL theme of "In the Garden." Your child(ren) continues to learn social-emotional learning, science, technology, and history through interactive projects utilizing engineering, art, and wellness.

As always, when the weather permits, we will be engaging in outdoor activities relating to our curriculum. So please have your children dressed appropriately for the changing temperatures. We suggest sending your child to school with a plastic, washable/reusable water bottle with your child's name on it to keep them hydrated.

We are looking forward to another wonderful month with your children providing a safe, educational, and enjoyable environment! Please never hesitate to contact me with any questions or concerns you may have. Have a fantastic March!

Tangela Wilson

**IMPORTANT!!** Please be reminded that checkout time is between 5:47 and 6:00 PM. Continual Early Check Outs or Late Pickups can result in Termination of the 21<sup>st</sup> CCLC Program.

Please be reminded that you are required to attend 2 Parent Workshops a School Year for your child to continue in the 21<sup>st</sup> CCLC Program. Next Parent Workshop is- 5 Ways to help children build positive relationships 3/28-4/3

Education is what remains after one has forgotten everything he learned in school.

—Albert Einstein

## Upcoming Events:

**March 11-Student holiday**

**March 14-18 Spring Break (No school)**

**Parent Workshop 3/28-4/3**

## Test Taking Tips for Parents

- ✓ Keep a cheerful outlook about tests.
- ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
- ✓ Make sure that your child gets enough sleep on the night before the test.
- ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
- ✓ Talking about the test with your child can relieve stress about test taking.
- ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- ✓ Praise/reward your child when they do well on a test or for their hard work preparing for a test.
