Address: 500 West University Blvd.

Coordinator: Tangela Wilson T: (321) 723-2566

Dear Parents,

Welcome to the beginning of the end of the 2021-2022 school year!

As we all prepare for the school year to end, we will continue to provide fun and educational themes for your child(ren). We finish up with "In the Kitchen." We will learn about different spices, how they smell and taste, and how much sugar is in our snacks. The children were surprised by the amount of sugar in the everyday snacks they eat. They will learn about what a healthier snack is to eat. We will continue with wellness and arts and crafts, striving to perform our social-emotional learning.

As we move into the warmer months, hydration is vital. Please remember to send in a water bottle with your child's name.

Watching your child(ren) grow physically and gain knowledge has been a pleasure.

If you have any questions or concerns, please never hesitate to contact me via phone or email! -Tangela Wilson

"If we are to teach real peace in this world, and if we are to carry on a real war against war, we shall have to begin with the children."

- Mahatma Gandhi

Upcoming Events

May 26- Last day of school

Ways to Prevent Summer Slide

- Read EVERY day! Read non-fiction, fiction, ebooks, poetry, newspapers and read out loud! Most libraries have a wonderful summer reading program with incentives and rewards for books read over the summer.
- Cook with your children. This is one of the best ways to integrate math, reading and following directions.
- Plant a garden. Your child will gain responsibility and pride as they watch their plants grow and thrive.
- Take a field trip to a museum, zoo or local park with walking trails.
- Learn a new word each week! Hang it on the fridge and see who can use it the most times throughout the week.
- Enroll in a quality summer program that will provide your child with opportunities to build their critical thinking skills.
- Play quick games with flashcards like Math War or Concentration to keep math skills sharp.
- Listen to Audio Books during your road trip.
- Take pictures and make a summer scrapbook.
- Did I mention READ?! If your child does nothing else this summer make sure he/she is reading!
