Dear Parents,

Thank you all who helped us celebrate Lights on After School. We had a lot of fun making our light bulbs and doing our light bulb challenge.

Our next set of badging we will be starting is titled "Inquiring Minds" For the month of November, we will be studying about science and how things work. We have dozens of fun and exciting activities planned, and my team looks forward to engaging your kiddos. We will be making paper skeletons, rainbow art to name a few. Be on the lookout for these fun and educational crafts we will be sending home as some of them may be delicate. Please never hesitate to contact me with any questions or concerns. Happy Thanksgiving!!

The Brevard After School programs have a Facebook page that you can follow and see pictures of all the exciting things your child is doing while in the program. The Facebook page can be found by searching for Brevard Public Schools Brevard After School.

Reminder: In order for your child to continue in our 21st CCLC programs they must attend regularly. Please be mindful about pick up time, which is at 6:00 pm.

Upcoming Events

Thursday Nov. 11 Holiday for all

**Wednesday, November 24-
Friday, November 26, 2021,**
School and Program are closed. Holiday

Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials.

Live so that when your children think of fairness, caring & integrity, they think of you. —H. Jackson Brown Jr.
